Watermelon Granita

An easy and refreshing dessert to make with any leftover watermelon.

Ingredients

- 500g watermelon flesh
- 1 Lebanese cucumber, peeled
- 1/2 tsp ginger, grated
- 3-4 mint leaves

Method:

- 1. Cut the watermelon and the cucumber into 5cm chunks.
- 2. Place in a sealable bag and freeze fruit for 6 hours or overnight.
- 3. When ready to serve, blitz the frozen fruit, ginger and mint in a food processor.
